Part I, Line 2 - Grantmakers Explanation For Grants Outside US

Thorough due diligence is conducted in advance of funding to determine whether a group will be an appropriate grantee. We require groups to provide proof of tax status and/or registration documents and their organizational documents. All international grants are restricted to a clearly charitable purpose and must be used exclusively for activities conducted outside of the U.S. All grantees receive a written grant agreement, and by accepting payment the grantee agrees to the conditions of the award, which provides assurance that funds will not be used for any prohibited purpose.

For Expenditure Responsibility grants, we require reports for each fiscal year in which the grant monies have been received or spent that address (i) use of the grant funds, (ii) compliance with the terms and conditions of the grant, and (iii) progress toward achieving the grant's purpose(s). The reports are reviewed to confirm that all of the funds have been used for charitable purposes and whether all of the funds have been expended. For other international grants, we require progress reports nine months after the grant has been awarded.

If a grant is restricted to a particular non-lobbying purpose, organizations further agree that (i) any portion of the grant not used for the stated purpose must be repaid, (ii) any change of purpose must be requested and approved in advance, in

Form 990, Part III, Line 1 - Organization Mission

Tides Foundation ("the Foundation") partners with donors to increase and organize resources for positive social change. The Foundation believes that healthy societies rely fundamentally on respect for human rights, the vitality of communities, and a celebration of diversity.

Form 990, Part VI, Line 5 - Description of Material Diversion of Assets

In March 2008, Tides Foundation discovered that a long-time employee had diverted funds from Tides for personal use -- approximately \$45,000 per year for three years.

This was accomplished through falsified documentation including falsified e-mails, invoices and progress reports from non-existent projects. Upon confirmation, the employee was dismissed immediately and a police report filed.

An independent forensic auditor was retained in coordination with the audit committee of the Tides' Board of Directors to thoroughly investigate the matter.

The forensic audit as well as an internal audit have indicated that this likely was the extent of the damage and that the former employee was the only staff member involved.

Form 990, Part VI, Line 10 - Form 990 Review Process

Audit Committee and Legal Counsel review prior to submission.

Form 990, Part VI, Line 12c - Explanation of Monitoring and Enforcement of Conflicts

On an annual basis, the directors, officers and key employees are requested to complete a conflict of interest disclosure survey.

Form 990, Part VI, Line 15b - Compensation Review & Approval Process for Officers & Key Employees

Tides Network uses a 360 Degree Employee Review process conducted by the Human Resources department for the CEO and for other staff as determined by management.

Tides Network regularly reviews comparability data from the following sources: The Chronicle of Philanthropy, Guidestar, Council on Foundations, and the Compensation in Nonprofit Organizations report published by Abbot, Langer & Associates, Inc. The Tides Network Board of Directors Personnel Committee is tasked with reviewing the CEO performance and compensation annually. The Personnel Committee meets to review data collected through the 360 process, and then meets with the CEO individually and determines compensation by considering comparability data, job performance, progress towards goals, and 360 review assessments.
