**Message from the President**

Dear Members

Welcome to spring. Everything is running smoothly at the club.

Our St. Joseph's Dinner Dance was great, thanks to the chairpersons and all the volunteers who helped decorate.

At our March General Meeting a vote was taken to allow shorts on Friday nights. This motion was defeated. Please abide by the rules and please let your guests know of our dress code so that no one is turned away.

Joanna Zampella and her committee are working very hard to revise all our By-laws and Rules & Regulations. This must be done every three years. When they are finished, any rules or by-law changes will be brought to the members. These will be put in the form of a motion, published in La Voce Forte and voted on at the following General Meeting.

This month there is an extra insert advising every one of several By-laws that must be voted on at our April meeting. Please read them carefully.

Also at this meeting we will have nominations for the Executive Board for the coming year. Nominations are open for President, Vice-President, Secretary and Treasurer for one-year terms and three directors for two-year terms. Nominations will also be accepted from the floor. Voting will be at our May General Meeting. Absentee ballots will be available if you are unable to attend the meeting. Remember your vote is very important.

On April 14, will be holding our annual Las Vegas Night. Tickets are \$25 including \$500 in play money and open bar from 7 to 11 PM and finger food from 7:30 to 9:30. The auction will start at 11 PM. We have sent out raffle tickets for our \$1000 prize. There will also be two other prizes. We have a 3 day, 2 night stay at the Beau Rivage in Biloxi and a 3 day, 2 night stay at the Hammock Beach Resort. Please mail in your tickets as soon as possible. There is also a box right outside the office door if you wish to drop off your returns. We still need a few blackjack dealers. If you are interested, please contact our volunteer coordinator, Maria Woodward. This is open to the public so please tell all your family and friends.

We are also having "Una Bella Serata" again this year. This is always a sellout so make sure you get your tickets early. The tickets will be \$30 for members and \$33 for guests.

We are having another bus ride to The Hard Rock Casino on Thursday June 7th. Tickets will be \$35 with \$25 back in play money and \$5 food voucher. Sign up as soon as possible as the buses fill up fast.

Here's wishing everyone a happy and joyous Easter  
Until next month, stay well and God Bless  
President, *Pat LaCorte*

## MONTH OF MARCH 2012 HIGHLIGHTS

### Executive Board Meeting March 8, 2012

*Treasurer* Tom Mayne reported that the month of February had a positive cash flow of \$6500.

Gutters, leaders, facias, and soffits have been replaced. Ridge vents now need to be cleaned and opened to allow air flow.

Board is discussing and taking bids to purchase a water softener. This will cut down on the amount of chemicals we need to purchase.

Anyone needing to place a long distance call from the club needs to use line #2.

Committee continues to work on the revisions of our By-Laws & Rules & Regs.

Food being ordered from the club is a member benefit, and is for personal use only.

There are now a set of rules that were given to our employees for them to follow.

Anyone who is a door greeter needs to make sure that all guests are signed in, and that their names are printed and legible.

Members who have a pot of gold number need to get their checks in on time.

### General Meeting March 21, 2012

Motion on Floor, not to wear shorts on Friday. Discussion from floor. Vote was taken to not wear shorts on Friday nights. Yes-69, No-49. Vote passed, no shorts allowed on Friday nights.

## HERITAGE COMMITTEE

### THE ITALIAN MARITIME REPUBLICS LE REPUBBLICHE MARINARE

When Emperor Constantine The Great, 272-337 A.D. moved the capital of the Roman Empire to Constantinople, the western part of the empire mainly Italy readily declined. Historians conjectured that the end occurred in 5th century A.D.

During that period and afterwards, northern tribes, i.e., the Goths, the Vandals, the Lombardi and others continuously invaded Italy and other parts of southern Europe. The lands were in disarray. There was no longer such a thing as a central government, consequently, small towns grew into city-states and Italy, and other lands remained in a constant state of war. Out of this chaos small republic developed, the most powerful were the Italian Maritime Republics of Venezia, Genova, Amalfi and Pisa. Throughout Italy, other minor republics arose, for example, Ancona and Ragusa. These two republics were land locked and consequently, did not pose a significant economic threat to the previous four who engaged quite frequently in warfare. Those four republics competed with each other economically and militarily. By 1000, due to their location and trade, the maritime republics came into being and with some lasting up to the Napoleonic period. These republics also were jump off locations for the Crusades to the Holy Land. Below are the four flags of the maritime republics, the lion, Venezia; the plain cross, Genova; the star with blue background, Amalfi; and the decorated cross, Pisa. These are also the modern day flags of each commune. At our special dances sponsored by the Heritage Committee, these flags are on display.

### **Report for Audit Performance for the Year 2011 And the Financial Condition at December 31, 2011**

The Finance committee conducted a detailed audit in accordance with generally accepted accounting principles consistent with the prior year.

In accordance therewith, a complete investigation was made concerning adequate internal controls. The apparent separation of treasury and accounting functions was being adhered to providing assurances of control on cash receipts. Cash collections are controlled and deposited promptly. Purchases of food and liquor inventory are conducted by purchase orders and major expenditures are made approved by the board and issued by contract. These procedures must continue to assure continuity of reliability.

The audit consisted of the following-

**Cash** – Bank account reconciliation for December 31, 2011, was reviewed. Petty cash was counted and verified. Inventories – The physical inventory at December 31, 2011, was observed and pricing was verified by comparing to recent invoices. Review was made to determine existence of old merchandise. No material misstatements were noted.

**Insurance** – Policies were examined and adequacy of coverage was reviewed. Prepaid insurance was calculated and insurance expense verified. Workers Compensation is adversely affected by poor experience rates caused by insurance claims by former chef and waitress. It is expected to cause additional Workers Compensation expense of a minimum of \$2,500 in 2012 and thereafter.

**Fixed Assets** – Additions for the year were verified and depreciation calculations were verified. The historical accumulation of asset additions of prior years was reviewed for reasonableness.

**Liabilities** – Accounts payable at December 31, 2011, were verified by observing subsequent payments. Receipt of vendor's invoices received after December 31, 2011, were applicable to subsequent period.

Accrued payrolls were verified and substantiated including payroll taxes due and paid in 2012. Sales tax return was reviewed and paid in 2012. Pot of Gold collected for future months was verified.

**Profit & Loss Statement** – Monthly operating results were reviewed and compared to budgeted amounts. Food ratios and liquor ratios were consistent with estimates. Purchases of supplies and repairs were verified and approved. Bingo rentals were reviewed and are improving in early 2012. Income from Las Vegas Night and bus trips were reviewed. Festa income was not recognized due to inclement weather providing basis for alternative income sources for 2012 with lesser risk rewards. Internal monthly operations showing results for Tuesdays, Fridays, outside banquets and dinner dances were reviewed including those for subsequent months of January and February to assure continuance of financial stability.

The increase in the cash position for the year of \$21,000 together with the plant additions of \$7,000 supported the cash profit of \$28,000 (prior to non-cash depreciation of \$10,000).

The statement of financial position at December 31, 2011, and the Profit & Loss Statement for the year are correctly stated in our opinion.
