

Making a Special Place to Live Even Better: A Community Conversation

Hosted by the
Lancaster County Coalition for Smart Growth

Our Mission: To engage the community and influence decision-makers to implement smart growth principles.
Our Vision: A prosperous, vibrant community that achieves balanced growth and protects its unique heritage.

If you've lived in Lancaster County for any length of time, you recognize what a special place this is. Our distinctive communities, our natural and cultural heritage, and our vibrant economy make this place unique. How can we maintain and enhance this community character as we move forward? Come out and share your thoughts and ideas.

- What are your favorite places in Lancaster County?
- What is needed to maintain or improve the quality of life in your community?
- What would it take for your children or grandchildren to stay in the county?
- What have we done well? Where can we go from here?

Learn about **Places 2040** – a blueprint for Lancaster County's future

The Coalition for Smart Growth is partnering with the Lancaster County Planning Commission to support development of a new county comprehensive plan – **Places 2040**. The Coalition is taking a lead in getting a conversation started for the plan update.

Making Progress. Good for Everyone.

Local residents will share their stories of why Lancaster County is important to them at each event and engage the audience in a discussion of why this place matters and how we can make it even better.
