### WINNER SELECTION

Each valid entry will be given a serial number and the total number of valid entries received during the Promotion Period will be divided by the number of prizes to determine the Winners. In the event that the number derived has decimal values, the winning entries will be rounded down to the nearest whole number.

#### Example:

If the total Valid Entries is 30,000, it will then be divided by 30 allocated prizes; ( $30,000 \div 30 = 1,000$ ).

Verified entries with the serial numbers 1,000, 2,000 and so forth will be selected to win the prizes.

A total of thirty (30) participants will be selected as the winners; example of winning serial numbers 1,000, 2,000, 3,000, 4,000, 5,000, 6,000 and hereafter will be declared as the winners.

Each participant is eligible to win only one (01) prize during the Promotion Period.

### PRIZES
