The following information will assist you in creating a unique and romantic ceremony onboard an elegant Royal Caribbean cruise ship or in one of our ports-of-call. Create a customized wedding by adding options from Royal Romance's "Ceremony Enhancements" section to your ceremony.

### Important Guidelines

Royal Romance ceremonies are designed so that every detail is taken into consideration, which allows you to relax and simply enjoy your special day. Please review the following information on how to arrange a Royal Romance wedding. Due to the program's popularity, please call to check the availability of your wedding date prior to reserving your cruise vacation.

- Wedding ceremonies are available in many of our ports-of-call. Please note that wedding ceremonies cannot be performed while at sea. Please review the "Ports-of-Call" and "Pricing Guidelines" sections as ceremony and enhancement prices vary by port, ship and season.
- A Royal Romance Wedding Consultant will gladly hold your date for three (3) business days while you book your cruise vacation.
- The bridal couple must be sailing if they would like to host a ceremony. The cruise booking number is required to confirm your wedding date.
- Wedding packages, license fees, taxes and surcharges must be paid in full at the time of booking. All ceremony and reception enhancements should be reserved and paid in full as early as possible. Additions or changes are not possible less than forty-five (45) days prior to your sailing. Royal Romance provides all professional services such as photographers, entertainment, cakes, beverages, fresh flowers, etc. No outside vendors and / or services are permitted.
- The bridal couple is responsible for obtaining a valid marriage license. A list of marriage license requirements and fees will be provided once the wedding has been reserved. In most ports-of-call Royal Romance is able to assist bridal couples in obtaining their marriage license for an additional processing fee. The marriage license fee and processing fee must be paid in full at the time of booking. Please refer to the "Ports—of—Call" and "Pricing Guidelines" sections for further details.
- Royal Romance strongly recommends that wedding parties who are getting married on the day of sailing arrive at least one day early to avoid late flights, travel delays, traffic, etc. on their wedding day. In the event of any travel delays, your wedding may or may not be performed due to time constraints. In some ports, Royal Caribbean International offers a Day Prior program for guests arriving the day prior to sailing. This program includes hotel accommodations, tax, and portage. Transfers provided by the Day Prior program from the hotel do not arrive at the pier in time for the priority boarding which is included in your wedding package. Guests should arrange for alternate transportation to the ship.
- Prices, packages and policies are subject to change without notice, are non-negotiable and are subject to applicable sales tax.

**RR** Please note; throughout our brochure Royal Romance will use the **RR** symbol to denote items we highly recommend or that are our exclusive offerings in order to make your day even more special.

### Wedding Reservations

Please reserve your Royal Romance wedding early. Due to the care Royal Romance Wedding Consultants give each wedding, we are limited in the number of ceremonies that can be coordinated on each ship and at each port of call. All ceremonies and receptions are reserved based on availability. Ceremonies may only be held for three (3) business days. To avoid a \$250.00 late fee, please arrange your wedding at least forty-five (45) days prior to the sail date of your cruise vacation.

If Royal Romance assists in obtaining your marriage license, documents must be submitted to the Royal Romance Department no later than sixty (60) days prior to your sail date. If submitted within sixty (60) days prior to sailing, the bridal couple will be charged an additional \$150.00 late fee.

Our Royal Romance Wedding Consultants will work with you to create the perfect wedding that suits your individual style. Your wedding date will be reserved as soon as full payment for your wedding package is received and upon receipt of a signed Royal Romance Wedding Agreement.

Wedding arrangements may be paid in US Dollars by credit card, travel agency check, certified check\*, personal check\* or international money order. Visa, MasterCard, American Express and Discover are accepted.

Once your wedding is confirmed with payment, a wedding reservation can only be rescheduled outside of sixty (60) days prior to the sail date. If you need to reschedule the date of your wedding, it is subject to availability and a rescheduling fee of \$250.00.

Bridal couples are encouraged to call the Royal Romance Wedding Department with questions or ideas at any time during the planning stage.

Due to the limited availability of some services, the Royal Romance Wedding Department encourages bridal couples to book options from the "Ceremony Enhancements" section as soon as choices are made. Enhancements will be confirmed upon full receipt of payment. Additions and changes may only be received up to forty-five (45) days prior to the sail date of your cruise vacation.

Weddings onboard Royal Caribbean International ships and their ports—of—call are unique and memorable events; however, in some instances not all services can be provided.

Please be advised that in the event of strikes, lockouts, riots, weather conditions, change of itineraries, missed ports, mechanical difficulties or other unforeseen circumstances, Royal Caribbean International may at any time and without prior notice cancel, advance, postpone or deviate from any scheduled sailing or port-of-call. Royal Caribbean and Royal Romance shall not be liable for any loss whatsoever incurred by reason of such cancellation, advancement, postponement or deviation. Please refer to Royal Caribbean International's brochures and cruise ticket contract for additional terms and conditions regarding your cruise vacation.

\*Please note: Agencies and/or personal checks are not accepted within sixty (60) days prior to your sailing.

## Sailing with a Group

Bridal couples with a group of 14 or more guests can book their hotel packages, cruise vacation packages and other amenity arrangements directly with Royal Caribbean International's Group Department. All payments for these arrangements can be processed through your travel agent. All wedding arrangements, including wedding receptions and payments, will be handled through the Royal Romance Wedding Department upon reservation of your cruise vacation. Complimentary group cocktail parties may not be coordinated as a wedding reception.

## Wedding Locations

Ceremony times and locations are assigned according to the requirements of each wedding or onboard event. Times and venues will be confirmed approximately two (2) weeks prior to the sail date of your cruise vacation. According to the number of guests, weddings are performed in the ship's library, chapel (if applicable) or in one of the ship's lounges. For safety reasons much of the furniture onboard is anchored in place and therefore cannot be reconfigured. Wedding decorations for the ceremony include two (2) white columns and two (2) silk flower arrangements. Shoreside wedding locations do not include floral decorations or chairs, however these enhancements may be purchased and are subject to availability.

The type of reception purchased determines the length of time allotted for a reception. In some ports, reception times may be limited. For more details, please check with a Royal Romance Wedding Consultant.

## Wedding Guests

As a complimentary service provided by Royal Caribbean International, wedding parties may have up to ten (10) non-sailing guests in attendance at the wedding ceremony. If there are more than ten (10) non-sailing guests, a reception package must be booked for the entire wedding party. Additional cake and champagne does not constitute a reception. If a reception is booked on the ship, additional non-sailing guests may attend the ceremony and reception. Please note that in some ports-of-call, non-sailing guests are not permitted to board the ship due to security restrictions. Wedding parties may have a maximum of seventy-five (75) non-sailing guests board the ship for their celebration. Wedding parties with 26 – 50 guests require the services of an additional Wedding Coordinator and will be charged an additional fee. For 51—75 guests, Royal Romance requires the services of another additional Wedding Coordinator and so on per every 25 guests.

Bridal couples having a shipboard or shoreside wedding ceremony may purchase an onboard reception immediately following their ceremony. Onboard receptions require the services of a Wedding Coordinator and will incur an additional reception fee of \$150.00.

All non-sailing guests must present a valid photo, government issued identification, such as a driver's license or passport, when checking in at the pier security desk. Minors under fifteen (15) years old may present a certified copy of their birth certificate. Guests are required to arrive at the pier at 10:30 am\* to begin the boarding process. Once United States Customs approves boarding, wedding parties will then be escorted onboard. You will be sent a form to complete regarding information on your non-sailing guests. This form must be returned to Royal Romance no later than forty-five (45) days prior to sailing.

\*Arrival times vary from port to port

## Priority Check-In

Priority check-in is provided for guests whose ceremony is performed the first day of sailing. A Royal Romance Wedding Coordinator will greet the wedding party at the security desk inside the port area and then escort them onboard ship. A Royal Romance Wedding Coordinator will then escort the bridal couple to their stateroom. Bridal couples may board as soon as United States Customs clears the ship, which is typically between noon and 12:30 pm. All sailing and non-sailing guests will receive priority check-in, provided they arrive at the pier by 10:30 am\*. Sailing guests must complete the paperwork in their ticket booklets before arriving at the pier.

Note: It is extremely important the wedding party hand carry all items onboard that are to be used in the ceremony. This includes the tuxedo, wedding dress, shoes, jewelry, etc. Security will only allow one small carry-on and one garment bag per person. Luggage checked with the luggage handlers may not arrive in the stateroom until well after the ceremony.

Since there is no food provided at the pier, Royal Romance Wedding Department suggests guests enjoy breakfast prior to arrival. Non-sailing guests are not permitted entrance to onboard restaurants. We ask that all non-sailing guests refrain from using the Windjammer Cafe while onboard.

## The Ceremony

Royal Romance has prepared a beautiful wedding ceremony for your special day including vows to commemorate your unique wedding experience. If you choose to use your own vows, please submit a typewritten copy via email to Royal Romance Wedding Department at least forty-five (45) days prior to sailing. Ceremonies will be performed by a nondenominational Officiant. The bridal couple may also provide their own Officiant to perform the ceremony. It is the bridal couple's responsibility to ensure the Officiant has appropriate credentials. Ceremonies are approximately 10 to 15 minutes in length and can not be exceeded due to time constraints. All weddings are approximately one hour in length including ceremony, strawberries and sparkling wine toast, and photo shoot. Strawberries and sparkling wine toast will be incorporated into any reception purchased. Traditional recorded wedding music is provided for shipboard ceremonies on a CD player. If a special musical selection is requested, bridal couples are welcome to provide the Wedding Coordinator with their own CD. Following the ceremony, you will be escorted to the reception location for cake cutting and a sparkling wine toast.

The ship's Captain does not have the authority to perform wedding ceremonies. All ceremonies are civil ceremonies performed by a government-approved official.

Charges for wedding and vow renewal ceremonies do not include enhancements, marriage license fees, or applicable port specific sales tax. Please review the "Ports-of-Call", "Receptions" and "Ceremony Enhancements" sections for additional services offered. All charges and sales tax are subject to change without notice and are non-negotiable.

## Cancellation Policy

Royal Romance must receive notice of cancellation in writing no later than sixty (60) days prior to your sailing date. For wedding ceremonies, a refund less \$500.00 and the license fees will be issued. For Vow Renewals, a refund less \$200.00 will be issued. Refunds will not be granted for cancellations made less than sixty (60) days prior to sail date.

# Ports-of-Call & Pricing Guidelines

## Marriage License Overview

The bridal couple is responsible for obtaining a valid marriage license from the port-of-call they have selected to host their wedding. Royal Romance can assist in obtaining a marriage license in some ports-of-call for an additional processing fee. Please note: In some ports taxes will apply. Once the wedding has been reserved, Royal Romance will send the bridal couple detailed marriage license requirements. Our office must receive all applications and appropriate documents sixty (60) days prior to the sail date to avoid a late fee. Please note that in some ports-of-call, the courts are closed on weekends, local and national holidays, and some may charge additional weekend or holiday fees. All licensing and holiday fees are non-refundable. Prices are subject to change for marriage license and processing fees as there could be an increase issued by the local government and the difference in cost will be incurred by the bridal couples. The marriage license must be presented to the Marriage Officiant prior to the ceremony.

Bridal couples that reside in Europe who will have their wedding performed outside of Europe may require an Apostille for an additional fee. The Apostille is verification from the United States Government that the marriage license is a true and legal document. All bridal couples should check with their local marriage license bureau to see if this document is necessary for them to register the marriage in their country of residence.

# Frequently Asked Questions

**Q: When getting married on the first day of the sailing, why do I have to be at the port early?**

A: For weddings held on embarkation day - the first day of the cruise, we allow wedding parties priority boarding. Because of this, we require wedding parties be at pier by 10:30am to avoid increased Pier congestion. Note that boarding times may vary from port to port.

**Q: What happens if it rains on my wedding day?**

A: If the weather does not permit the ceremony to take place on a beach or in a garden, alternate arrangements may be made at the site or back onboard the ship. For Explorer weddings or shipboard weddings, no alternate arrangements need to be made.

**Q: May I bring guests to my wedding? If so, is there a limit?**

A: For Shipboard ceremonies the maximum is 150 guests total; within that maximum, you may have 75 non-sailing guests - no exceptions. For Shoreside ceremonies you may add guests but limits are placed depending on the location. Additional transportation, entrance and site fees may apply. As always, contact a Royal Romance Wedding Consultant for specifics.

**Q: Is music provided at the ceremony?**

A: A portable CD player will be provided for your shipboard ceremony. Traditional wedding music is provided, or you may bring your own CDs. Music is not provided for weddings held landside. Live entertainment may be available, please contact a Royal Romance Wedding Consultant.

**Q: What should I wear? Are there any limitations?**

A: Preferred attire is traditional, elegant or dressy casual attire. Beachwear, beach sandals or shorts are not permitted in certain ports. Please contact your Royal Romance Wedding Consultant for more details.

**Q: What is the difference between a Royal Romance Wedding Consultant and a Wedding Coordinator?**

A: A Royal Romance Wedding Consultant will help you with all of your pre-planning questions, your booking and any enhancement questions. Please note in the course of your planning you may speak to multiple knowledgeable coordinators, however, you may request to speak with one person specifically. On your wedding day, you will be met by a wedding coordinator who will help guide you through the course of your wedding and answer any questions you may have at that time.

**Q: What if I have special needs?**

A: Wheel chair, restroom and changing room accessibility vary by ship and by port, please contact a Royal Romance Wedding Consultant for each location specifications.

**Q: Who performs the ceremony?**

A: Usually a Notary Public is provided for the United States and a Non-denominational Officiant for all other ports. Arrangements can be made in certain ports for ethnic, specific religions, and / or other ceremonies.

**Q: Is there an additional fee for Sat, Sun, holidays?**

A: Additional fees will apply on some holidays and weekends. Please contact your Royal Romance Wedding Consultant for complete details.

**Q: What types of ceremonies are performed, legal, symbolic, same sex?**

A: Our officiates can perform a variety of ceremonies that range from port to port; we will ensure that the ceremony you wish to hold is perfect for you. Our Royal Romance Wedding Consultants will work with you to decide which port is best to accommodate your request.

**Q: Is transportation included with package (private car, taxi, etc)?**

A: Transportation is provided for bride & groom only in certain landside packages. Transportation is not included in package, but can usually be arranged for embarkation day weddings and / or other guests, for an additional fee.
