

## Confessions

Okay this is confession time. We'd like you to share your most intimate experiences around orgasm, masturbation, sex – but more than that, we want to hear your secrets, and all your FRIENDS' secrets as well.

Set up your video camera so we can see all of you, or most of you anyway. You can do this alone or have a friend interrogate you. We'll most likely edit out their voice.

We want to hear Stories. Below are some topics - you can skip one or two if you don't have a story for them, but please answer the rest with lots of juicy detail!

1. First, tell us a bit about you - maybe your name, but that's up to you. Your age, what you do with your time - your job if you have one, or what you study, or describe your life. Where do you live? Where are you from? What are your interests, hobbies, obsessions, loves, hates?

2. Tell us the story about your first orgasm, if you remember it. Where were you, who with, or by yourself? How old were you, and how did the experience affect you?

3. Tell us about masturbation. How did you discover it? Is it an important part of your life? How often do you do it? Do you have a special technique which works for you? Have you discussed techniques with your friends, and what have they told you about that?

4. Some things are taboo, but everything is OK in your fantasies. What lurks in the dark corners of YOUR mind?

5. Tell us stories about having orgasms in unusual, interesting places, or places where maybe you shouldn't have been having orgasms. At work, school, in public or on transport?

6. Tell us all about a really memorable sexual experience, alone or with a partner/s. Paint us a picture of what, where, when, who and how, in detail.

7. Have you ever busted someone masturbating or having sex? Or has it ever happened to you? Maybe it's happened to someone you know? Tell us the whole story!

8. Have you ever found something useful for helping you have an orgasm, that wasn't designed for that purpose? Tell us the story about that.

9. Now we want to hear your SECRETS. This is the most important part of your confession, and it's good for your soul! You can change the names to protect the guilty, but spill all on your tawdry affairs and sleazy shennigans. And when you're done with that, let's hear your friends' secrets - all those things you promised never to tell a soul, well, you can tell the camera!

10. Do you have any sexual ambitions?

11. Tell us the story of how you came to submit to Beautiful Agony. How did you hear about us? Why did you want to contribute? How was the experience? What was going through your mind? How do you hope people will react to your video?

We want to hear the story, or stories. Here are some optional, extra topics which you might like to talk about as well, if they relate to you:

- Physical vs emotional sex
- Sex and religion
- Sex and lifestyle - monogamy vs polyamory
- Sexuality and ageing - how has your sex life matured?
- Sex education - where did you get yours? Tell us about it
- Strange or interesting sexual requests by lovers?
