CUTTING INSTRUCTIONS:

SEA SQUARED QUILT

- Cut each of the main prints into (2) 8.5" x 8" rectangles. The half yard allows you to fussy cut as well as have extra for a pieced backing. If using directional fabrics, make sure you are cutting your rectangles consistently.
- Take your (5) 1/8 yard pieces and cut (1) 2.5" x WOF (width of fabric) strip of each. Cross cut the following from each fabric:
 - Bubble Rings Boy and Kelp Pool:
(3) 6.5" x 2.5" & (3) 8.5" x 2.5"
 - Kelp Coral, Kelp Shroom and Bubble Rings Girl:
(2) 6.5" x 2.5" & (2) 8.5" x 2.5"
- Cut two 2.5" x WOF strips of the cream sashing. cross cut into 2.5" squares. You will need 24.
- Now we can assemble the blocks. You will need (2) 2.5" squares, (1) 2.5" x 6.5", (1) 2.5" x 8" and (1) 8.5" x 8" for each square. See *fig.1* for assembly order.

- Cut (9) 3.5" x WOF strips out of the cream sashing. Crosscut (4) of these into 16 3.5" x 10" rectangles. Sew these on the sides of the blocks to create rows consisting of (4) 3.5" x 10" rectangles and (4) blocks, beginning and ending your row with the rectangles. See *fig.2*
- Attach the rows of blocks with the (5) 3.5" x WOF strips, beginning and ending with the rectangles. See *fig.3*

- EACH BLOCK MEASURES: 10" x 10.5"
- SEAM ALLOWANCE: 1/4"
