4 - AT - A - TIME HALF SQUARE TRIANGLES

1. Cut (2) 12 1/2" of each print and solid.
2. Pair each print with coordinating solid, right sides facing. Pin in place.
3. Using a 1/4" seam allowance, sew all the way around the border of the square, pivoting at the corners.
4. Cut across the sewn square diagonally, corner to corner.
5. Press each seam open, trimming each HST to 8".

To assemble the quilt, together each A and B section.

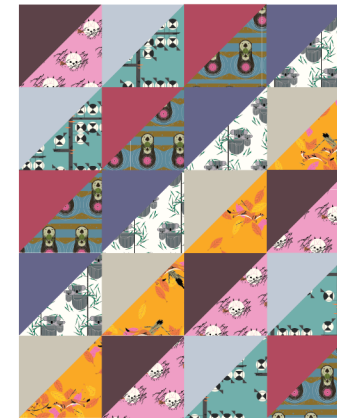

Chain stitch pieces together starting with sewing block 4A to block 3A. Do not break thread. Continue on to sew 4B to 3B. Continue all the way down to block 4E and 3E.

Repeat the steps above by sewing the column 2 blocks to column 3 blocks, and then to column 1 blocks. You will be forming your rows, and each row will be attached by the threads.

Press seams, alternating rows left and right. Sew rows together, matching corners.

Complete quilt top by sewing sections together as illustrated in the image to the right.
