DayBreak Residents Enjoy Sun and Fun!

DayBreak is finally back open and we are so excited to be back together again! Although we have a small group for now, we are enjoying lots of fun activities. It has been an exciting learning experience for all of us as we keep our social distance and wear our masks. We are walking outside every day enjoying the fresh air!

We've started learning about life "under the sea". We have painted pictures of sailboats, made jelly fish crafts, and next week we'll be making sea turtles out of painted sea shells! Cooking Club is also back on Wednesday mornings preparing our snack for the day. Last week we made "sand pudding" and enjoyed sitting outside pretending we were at the beach together. We can't wait for more of our friends to join us again.

Agape Home and Agape Home at Blueberry Fields

We Love our Residents!

Residents at Agape Home and Agape Home at Blueberry Fields Assisted Living Residences are enjoying the summer weather. Whether it be a picnic lunch outside, popsicles, or pizza brought in by Loretta Moon's daughter, Marie, — we are always happy to have the sun in our face and special treats to share with our friends.
