NORTHUMBERLAND AVENUE.

SEPARATE BATH FOR LADIES.

PRONOUNCED TO BE THE FINEST IN EUROPE.

NEVILL'S TURKISH BATHS are a live and up-to-date concern, the decoration of the bath rooms is tasteful, the attendance prompt and obliging, the shampooers capable and efficient; each establishment is in charge of a competent and experienced manager; the attendants are chosen from the best of their profession, and can be relied on for knowledge of their work and readiness to assist the inexperienced bather. The supply of air is scientifically treated and arranged; it is filtered before entering the bath, heated by a patented apparatus of considerable repute, while the system of ventilation ensures a rapid flow of fresh untainted air through the bath rooms.

Visitors to London are invited to make a trial of these establishments, which have been in existence for some fifty years.

The charges are moderate and within the reach of all—but see it is NEVILL'S.

P R E F A C E.

IN the lists of Officers serving in India, which are contained in pages 5 to 95B of this volume, only substantive appointments are, as a rule, shown; and, except in the case of members of the Indian Civil Service, the names of Officers drawing substantive pay of less than Rs. 700 a month are not included. The names shown in italics are those of Officers who are in foreign service, supernumerary, seconded, or employed outside their own departments.

To meet the difficulty that arises from the lack of uniformity in India in the use of surnames, Indian names are in doubtful cases twice indexed, and cross references are made in the Record of Services. Rulers of States are shown under the names of their States.

The principle of selection followed in the Record of Services (pages 401 to 714) is explained on page 401.

The "Index of Subjects and Appointments" is on pages iv to xvi, and the "Index of Names" on pages 728 to 795. Names in the Honours Lists and Record of Services are shown in the Index of Names by "英" and "英," with a note prefixed referring to the Alphabetical Lists on pages 139 to 186 and pages 401 to 714.

It is requested that intimations of errors in the lists, or of omissions, may be addressed to the Editor of the India Office List, India Office, Whitehall, London, S.W.

June, 1922.
