

# Are you a high school senior seeking a job opportunity following graduation?

SpiriTrust Lutheran<sup>®</sup> is hiring full-time Resident Assistants (RA) to work in our six personal care and assisted living residences. Start as an RA supporting older adults with their activities of daily living and receive on-the-job training to become a Med Tech. As a Med Tech, you will be trained to give residents their daily medications.

*We have day, evening and night shifts available for high school graduates with a passion for working with older adults and a desire to grow professionally.*

Apply online today to join our enthusiastic team!
