Temporary & Seasonal Jobs

Manufacturing:

Harley-Davidson uses a Casual Workforce Program for a variety of work options within our manufacturing facilities nationwide. As a Casual, you will receive complete training in modern manufacturing techniques and processes and will learn how to build the world's most sought-after motorcycles in our state-of-the-art facilities. Our Casual employees play an important role in helping Harley-Davidson achieve critical business results by allowing us to quickly respond to customer demand.

POSITIONS ARE TEMPORARY WITH SCHEDULED HOURS AND THE POTENTIAL FOR OVERTIME. BASIC QUALIFICATIONS INCLUDE A HIGH SCHOOL DIPLOMA OR GED OR ONE YEAR OF RELATED WORK EXPERIENCE OR A MANUFACTURING SKILLS STANDARD CERTIFICATION.

Skilled Trades Careers

- Every day is something new for skilled trades workers at Harley-Davidson.
- Maintenance Mechanics, Maintenance Electricians, Maintenance Technicians and Toolmakers support the production operation.
- Responding immediately to breakdowns and performing preventative maintenance to minimize equipment downtime.

SKILLED TRADES & APPRENTICESHIPS

Apprenticeship Programs

- Our Apprenticeship Programs are Wisconsin registered apprenticeships and are designed to provide real world, hands-on experience, while also providing classroom learning through a local technical college.
- Harley-Davidson will cover the cost of tuition and books for all related apprenticeship coursework.
- Programs focus on key fields where Harley-Davidson is looking for talent.
