IMPORTANT NOTICE: Driver's Education Online Course Changes

It has come to our attention that the online course for our Driver's Education Program, Wilson's Driving Training School, will no longer be administered after June 1st, 2019. All students who are currently enrolled in the course, will have to complete the online portion by this date. The Behind-the-Wheel driving portion will still be offered under our current program.

The district is currently evaluating other approved providers, in which the information will be released as soon as possible. A follow up letter will be sent regarding the available options for the new online course options.

We will still be accepting registrations for the current program until January 1st, 2019. Registrations will no longer be accepted after that date, until a new course has been established.

If you have any questions, please contact Josh Luckenbaugh in the Athletic Office, at 717-244-4021 ext. 3523, or email at Joshua.luckenbaugh@dallastown.net.

We appreciate your support, as we promptly resolve these changes.

Sincerely,

Vincent Sortino
