DMJ

Diabetes & Metabolism Journal

Tae Seo Sohn *Associate editor*

The Catholic University of Korea

KDA *History of Challenge*

dmj
DIABETES & METABOLISM JOURNAL

Core Value

- D** iabetes as a priority
- I** ntegration
- A** ssociation for society
- B** est practice
- E** xcellence in research
- T** eam approach
- E** ducation
- S** upport

Motto of KDA

Happiness beyond diabetes

50 Years of Challenge,
Hope for Diabetes Cure

KDA 50TH ANNIVERSARY

Korean Diabetes Association

DIABETES & METABOLISM JOURNAL

Our Vision World Leader in Diabetes Research & Care with Global standards

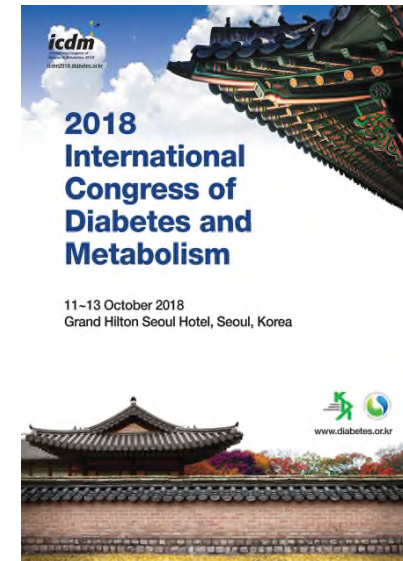

ICDM

International Conference on Diabetes and Metabolism

dmj
DIABETES METABOLISM JOURNAL

The One & Only International Diabetes conference in Asian countries*

Kyung Soo Park
(Seoul Natl. Univ.)

*held by single country and association

KDA *Lead the Diabetes Research*

DMJ is...

dmj
DIABETES & METABOLISM JOURNAL

- Official Journal of **KDA**, Bimonthly
- Aim
 - contribute to the cure of and education about DM
 - the advancement of diabetology through the sharing of scientific information on the latest developments in diabetology
- Open-access journal: **No publication fee !**

DMJ *The Beginning*

1972

The first dmj came out

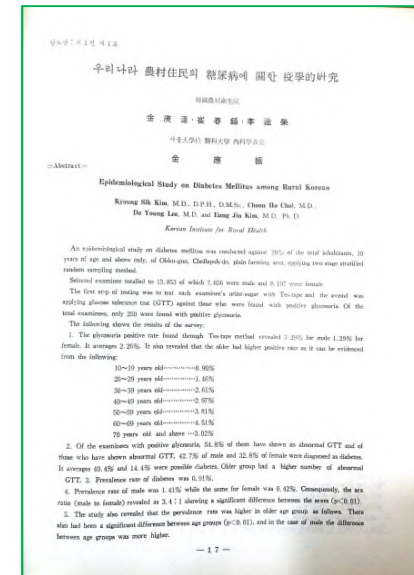

Vol.1 n1

“당뇨병” published in 1/Mar/1972

The First article

: EJ Kim (Seoul National University)

DMJ *We have evolved*

**Our journey is not over,
and now is the beginning of our journal.
The DMJ can grow into a better journal only with you,
the authors who send us manuscripts for peer review.
This is your journal and your journey,
and you are the major part of DMJ's future.**

from Kyu Chang Won, Editor-in-Chief of DMJ
