

Housing Fair Disclaimer

- Landlords have been invited to help you in your search for accommodation. Keele SU does not recommend or endorse any of the landlords attending today or who are members of the Landlord Accreditation Scheme North and Central Staffordshire.
- Only landlords in the recognised North Staffordshire Landlord Accredited Scheme who can advertise with Keele StudentPad are eligible to attend the Fair. You can visit their website <http://www.landlordaccreditation.co.uk>.
- Only landlords who have pre-booked a stand will be permitted to join the Fair. Landlords who arrive on the day and without a booked stand will be refused entry.
- Landlords were asked to provide copies of the contracts they are asking potential tenants to sign. Advice and Support at Keele SU (ASK) have gone through the supplied contracts checking for potential unfair terms, however, Keele SU has no control over the content of any contract you will be asked to sign - it is your responsibility to understand what you are signing and agreeing to.
- ASK Advisers will be in attendance at the Fair to answer questions about housing contracts and local information. More information on house hunting and your rights and responsibilities as tenants can be found at <https://KeeleSU.com/Advice/Accommodation>.
- You can email us with a copy of your tenancy agreement to su.ask@keele.ac.uk for checking or to ask us any questions before you sign.

We are here for you!
