

# EXPRESS YOURSELF!

Drama Kids is the nation's largest afterschool drama program, and we are now enrolling at your school! Kids will have fun while developing skills that will help them personally and academically:

- Self-Confidence
- Leadership Skills
- Optimism and Positive Thinking
- Innovation and Creative Thinking
- Effective Communication of Ideas

Activities include new short plays in each class (all students fully participate), mini-scripts, theater games, and presentation and performance opportunities throughout the year. The year culminates with a spring presentation.

**Enrolling NOW!**

*"If you can only do one afterschool program —do Drama Kids!"* M. Clayborne, parent
