

Meir Roimy, Nordic Leisure Group new Chief Financial Officer

Meir Roimy has been appointed as the new CFO of Nordic Leisure Group, with responsibility for the group's accounting, finance, legal and HR departments. Meir will be part of Group senior Management.

Meir, a Certified Public Accountant who holds a B.A. in accounting and economics, has a 10 year experience in the IT and iGaming industries, mostly from Superbet and Playtech.

"It is with great joy that I welcome Meir Roimy to become the Group CFO. Meir has a solid knowledge of the industry, and I am confident that with his expertise he will streamline the responsibilities, and also increase our profitability through understanding of the industry's various components" says Peter Åström, CEO of Nordic Leisure AB.
