

Since 1995 **Growers Express** has been partnering with **Green Giant™**—one of the nation's most recognized and trusted brands.

From delicious and nutritious meal ingredients and side dishes, to special occasion culinary masterpieces as well as everyday meal inspirations, our Growers Express and Green Giant™ Fresh vegetables bring consistent quality and flavor to every plate, all year round.

Headquartered in **California's fertile Salinas Valley**, we have expanded our operations and launched our production and distribution center in **Biddeford, Maine**, which is currently growing and is looking for **Sanitation Specialists** to join our team.

The sanitation specialist is responsible for sanitizing food processing equipment, manufacturing work areas and other areas as necessary, disassembling and reassembling mechanical equipment, operating a pallet jack, complying with Good Manufacturing Practices (GMPs) and Sanitation procedures as it relates to Food Safety (HACCP).

If you are able to work in temperature restricted environment (constant 38 degrees), have strong mechanical aptitude, with the ability to read and communicate technical information and instructions, willing to learn and develop professionally and be a part of our great and stable sanitation crew, apply today!

Scheduled times for the shifts are:

3rd shift – Monday – Friday (8:30 pm – 5:00 am), must be also available on every 3rd weekend throughout our busy season (October – January)

We offer **direct employment with the Company** (not via an agency) with **stable hours, full benefits (Medical, Dental, Vision, Paid Time Off and 401K Plan with Company Match!)**

To apply, please send your resume to **Olesya Shkut** at oshkut@thegiant.com or call **207.282.7723, ext.102**
