

Financial Aid Coordinator

Quest University Canada seeks a full-time Financial Aid Coordinator. Reporting to the Senior Accountant, this position will be responsible for the implementation and maintenance of Quest University Canada's institutional merit-based (scholarships) and need-based (bursaries) student financial aid programs as well as administering provincial, national, and international student aid programs. The Financial Aid Coordinator will provide leadership in student aid advising and outreach, the processing of student aid applications, determining student aid eligibility, maintaining budgetary responsibilities, and ensuring government compliance and reporting for student aid programs. The Financial Aid Coordinator oversees Quest's internal award program including the annual renewal process of student scholarships and bursaries. The Financial Aid Coordinator will also set policies and procedures for awarding funds.

As a key contributor to the university's enrollment management efforts, the Financial Aid Coordinator is responsible for ensuring a strong customer focus in these efforts and assists in achieving the University's enrollment goals.

ESSENTIAL FUNCTIONS:

- Administer provincial, national, and international student aid programs in accordance with applicable laws and regulations.
- Manage the financial aid database and its integration with the admissions and billing areas of the Student Information System.
- In collaboration with appropriate committees, review all applications for institutional scholarships and need-based aid, including performing financial needs assessment, award packaging, and verification.
- Review and create annual financial aid forms, documents, communications to students, including planning, developing and maintaining accurate and updated financial aid information on the financial aid web pages.
- Analyze and prepare data and reports around financial aid for internal use and for various agencies as requested.
- Ensure an effective and collaborative relationship with the admissions and student billing areas within the University.
- Maintain familiarity with Canadian and US financial aid methodologies, compliance regulations, student aid programs, need analysis, fund awarding, and packaging.
- Initiate and utilize innovative financial aid technology and strategies, including knowledge and use of Student Information Systems.
- Maintain knowledge of financial aid trends and how they are related to the student enrollment goals.
- Interact with students, parents, faculty, staff, and other individuals and agencies outside the University.

- Maintain balance between indicated needs of the students and the requirements of the University.
- Maintain complete confidentiality, discretion, sensitivity and professional judgment.
- Additional duties as required.
- In collaboration with the Director of Admissions and VP Finance and Operations develop and/or review policies and procedures for awarding merit-based and need-based institutional funds.

QUALIFICATIONS:

- Completion of post-secondary education in Business, Accounting, or Finance; Bachelor's degree preferred.
- Minimum two (2) years financial aid and/or enrolment related experience required.
- An equivalent combination of education, experience and training which demonstrates the knowledge, skills and abilities to perform the duties will be considered.
- Demonstrated working knowledge of provincial, national, and US student aid programs and supporting regulations, policies and procedures.
- Demonstrated understanding of the legislation and compliance of Canada and US student loan programs.
- Knowledge of higher education processes, supervisory and personnel practices, communication techniques and computer software.
- Ability to handle confidential data and prioritize workload in a multi-person office.
- Excellent interpersonal and organization skills.
- Strong time management skills and ability to follow up on tasks and report progress
- Demonstrated experience managing multiple competing priorities.
- Ability to work independently with minimal supervision.
- Effective communication skills and ability to communicate effectively with a diverse population of students, parents, and staff.
- Effective customer service skills.
