STUDENTS' COUNCIL - SLCS STUDENTS FORUM

Preamble

The Students Council at Subbalakshmi Lakshmipathy College of Science called as SLCS Students Forum was established in the year 2017. It has expanded over the years and now in 2020, as a component of the quality circle the Students forum holds the following student chapters

Chapter -1 - Academics

Chapter -2 –Infrastructure & Resource Management

Chapter 3 – Extracurricular and Co curricular activities

Chapter 4- Science and Technology

Chapter 5 – Extension activity

The Student Chairman, Secretary and Joint Secretary of the Forum along with the student members from each Programme contribute fervently through the student chapter. The council along with the members involve themselves in promoting leadership, societal relations and cultural values.

The role of the Officers

Chairman:

The Chairman is responsible for presiding over meetings of the Council. The Chairman, with the Secretary, prepares the agenda for each meeting and, where necessary, signs the minutes once they have been agreed by the Council. The Chairman may also be designated to represent the Council at meetings with the management.

Secretary:

The Secretary is responsible for assisting the student Chairman, and when the student Chairman is absent from a meeting s/he assumes the role of the student Chairman for the meeting.

Joint Secretary:

The Joint Secretary, with the Secretary, prepares the agenda for each meeting and the Secretary then circulates it to all the members of the Council either in advance of the meeting or at the start of the meeting. This will involve consulting with the other Council officers in order to decide what will be included in the agenda. All agendas should include a provision for 'Any other business'; this allows Council members to raise a matter for discussion in the meeting that it has not been included on the agenda.

The Secretary also keeps a record of Council meetings and any decisions taken by the Council. If necessary these minutes can be circulated to all members of the Council either with the agenda for the next meeting or at the start of the next meeting. The Council can be given the opportunity to make any changes to the minutes before they are signed by the student Chairman.

SLCS Students Forum is a representative structure through which students in the college can become involved in the affairs of the college, working in partnership with the management, staff and students for the benefit of the college and its

students. Having a teacher attend meetings of the council on a regular basis helps to streamline the proceedings of the forum.

The period of the Chairman, Secretary and Joint Secretary is one year.

OBJECTIVES

- To enhance communication between students, management and staff
- To promote an environment conducive to educational and personality development
