Main Library Book Group Discussion:

***The Future of Capitalism* by Paul Collier**

Monday, October 19 / 7:00 to 8:00pm

Deep rifts are tearing apart the fabric of the United States and other Western societies. As these divides deepen, we have lost the sense of ethical obligation to others that was crucial to the rise of post-war social democracy. World-renowned economist Paul Collier provides a candid diagnosis of the failures of capitalism and a pragmatic and realistic vision for how we can repair it.
