

INSTRUCTIONS FOR THE PATIENTS REGISTRATION

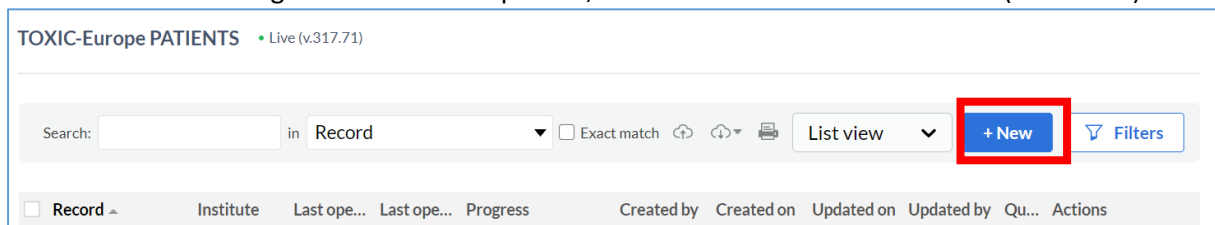

- Use **CHROME +++** (not Internet Explorer)
- You have received **an invitation** to register a first patient.
The invitation email is entitled:
You were invited to join 'TOXIC-Europe PATIENTS' on Castor EDC
- Use the **same name and password** as when you registered your unit
If case of problem, contact us at contact@toxicstudy.org
- Select the right questionnaire: "TOXIC-Europe PATIENTS". Click on this name.

- Then, go to "Records" on the left side (see the red circle, below), in .

- To start the registration of a new patient, click on the blue button "+ New" (see below):

- Select your unit, using the scroll button (see the red circle, below).
Your unit ID should had been sent by the coordinating center via email.
 The unit ID has the form: “ Unit digit(s)” for instance “ Unit 1”:

New record details [X]

Institute: Please select an institute [▼]

Record ID: []

Next

- Once you have selected you unit, a “Record ID” is automatically generated.
 In our example, the “Record ID” is “ 001-0001” (see below).

New record details [X]

Institute: Unit 1 [▼]

Record ID: 001-0001

Next

- Then, the questionnaire begins, you can complete it.

Record ID: 001-0001 • Live (v317.71)

1. Introduction and inclusion criteria

1.1 Reminder: Inclusion Criteria

Introduction

The TOXIC=Europe PATIENTS questionnaire aims at collecting data on acutely intoxicated patients admitted to ICU/HDU. To help you completing this questionnaire, you can consult the “Manual for PATIENTS” on our website <https://toxicstudy.org> (page “ Documents”). For specific issues related to Castor, you can consult the “ Castor / Patients inclusion” document on the same website and page. You can also always contact us at contact@toxicstudy.org
