

WRITE TO YOUR MP

Your support is vital to ensure that as many MPs as possible are aware of the Civil Liability Bill and the unfairness it creates for injured people. Members' help and support with lobbying could make all the difference.

APIL has produced guidance with key points to help you draft your letter. Please feel free to put your own stamp on it as your letter will have much greater impact if it is personal.

The guidance can be found [here](#).

Find out who your MP is and how to contact them [here](#) or ask us for help.

It would be incredibly helpful if you could please let Sam Ellis, APIL's parliamentary officer, know who you are writing to, and what response you receive. Please also do not hesitate to contact Sam if you would like further guidance or would like to discuss your letter. Sam can be contacted at sam.ellis@apil.org.uk or 0115 943 5426.
