

## Press Release

# Berry Recruitment Appoints NOW: Pensions As Its Auto-Enrolment Pension Provider

**One of the UK's leading recruitment consultancies set to auto-enrol close to 2,000 temporary workers into NOW: Pensions Trust from September 2013.**

Berry Recruitment has appointed NOW: Pensions to provide the auto-enrolment solution for its UK staff. From September 2013, the independent multi-employer trust will be responsible for delivering the workplace pension scheme for its temporary workers who are eligible for auto-enrolment.

Berry Recruitment is one of the UK's leading recruitment consultancies, providing specialist services to candidates and employers within a range of commercial and industrial sectors. The business is headquartered in St. Albans with additional branch offices throughout the UK.

**Spencer Berry, Business Development Director, commented:** *"Quality is at the core of our service. We operate by a stringent set of internal procedures so our decision to appoint NOW: Pensions came as a direct result of wanting a quality workplace pension scheme that coincides with these values. We are committed to providing the best possible service to candidates and we liaise closely with our customers to agree the right course of action. We recognise this same ethos in NOW: Pensions. They offer a pension scheme that is simple, structured and easy for us to implement that ensures the optimum outcome for people at retirement."*

# NOW: Pensions

**Morten Nilsson, CEO of NOW: Pensions, added:** *"Berry Recruitment has taken the necessary steps to ensure that it implements a flexible and simple solution to its automatic enrolment obligations that most importantly delivers a good level of retirement income for members. At NOW: Pensions, we remove the burden of choice and the threat of costly administration charges, whilst ensuring the best possible outcome for members. We are committed to developing a better workplace pension provision in the UK and look forward to working with Berry Recruitment as we continue on the journey into making this a reality."*
