

## Berry Recruitment Hosts Annual Awards Dinner

Berry Recruitment recently hosted its annual awards dinner at the prestigious HMS President venue on the River Thames in London. Managers and Consultants travelled from all corners of the country and the large attendance (129 people in total) reflected the Company's rapid, recent growth.

The evening involved a champagne reception, dinner and a number of awards to recognise individual talent and some of the key Branch performances which were central to Berry's success in 2012. To round off the occasion, Berry staff members displayed talent of a different nature as they joined live band "Rockaoke" to cover a number of famous pop songs. The boat certainly rocked to some mainly (!) tuneful renditions.

Berry's Managing Director, Chris Chown, was delighted with the evening and comments; "It's great to take the opportunity to thank the people that really make our business tick. Naturally we like to reward sales achievements but we also include "Board Recognition" and "Extra Mile" awards each year as it's attitude, effort and exceptional service that stand our business out from the crowd".

**Berry Recruitment is an established and successful business operating within the office, technical, industrial, driving, rail, construction, catering and care sectors. The group now operates from 25 locations nationally and its companies also include Green Personnel, Rouge Recruitment and Wild Recruitment. Berry Recruitment is on track to achieve well over £40 million turnover in 2013.**
