Art with mentor artists

Grades 2-5

Thursday February 2nd

4:45-5:30pm

Members of the Gateway High School Art Club, with their teacher Greta Severson, will be mentoring children in grades 2-5. There will be a story followed by an art project inspired by the story the children will hear. The children will get assistance from the older artists and can ask questions and grow their creativity and art skills.

The event will be taking place in the Monroeville Public Library's Johnna's Room. There is no fee for this event. Registration is required for this event to assure enough room for the artists and adequate supplies.
