Kindergarten, 2nd and 4th grades will be going on their field trips this spring! If you haven't done so already and are interested in chaperoning please turn in your paperwork ASAP so you can be approved by the school board.

Don't forget if you want to get your independent clearances to allow you to volunteer to the fullest capacity, especially for field trips, visit <https://www.gatewayk12.org/resources/volunteer-resources> for information on all the required documentation. Once your paperwork is submitted your application will need to be approved by the school board (meetings are mid-month).
