CONSULTATIONS

NTAC offers consultation services to public safety professionals on establishing threat assessment policies and programs, and on complex threat cases.

TRAINING PROGRAMS

NTAC provides customized trainings to organizations by request. Attendees often include law enforcement, K-12 schools, colleges/universities, and workplaces.

Those who attend NTAC training learn how to:

- Proactively identify individuals who may be exhibiting concerning behaviors
- Assess whether individuals pose a risk of violence, or other harmful behavior, to themselves or others
- Develop community-based risk management strategies and proactive interventions

ACCESSING RESOURCES

Domestic Security Strategists (DSS) are NTAC's regionally-based personnel who build relationships with public safety professionals in the community, and facilitate access to NTAC's resources on targeted violence prevention.

DSSs are currently located in the following U.S. Secret Service field offices:

- Philadelphia Field Office
- Chicago Field Office
- Kansas City Field Office
- Dallas Field Office
- Los Angeles Field Office
