Say (artisan) cheese....

Locally Made from Our Pasture to Your Plate

Our french-alpine style cheese is made from our grass-fed, raw cows milk produced by our own herd in Warsaw, NY. This style cheese allows us to showcase the "terrior" of Wyoming County and focuses on the grasses and herbs that our cows are consuming. We are able to focus on the quality of our product all the way from pasture to plate by using our own milk.

**FROM OUR FARMS
TO YOUR TABLE**

EXPERIENCING UNIQUE FARM-TO-TABLE OPPORTUNITIES.

Agriculture is our #1 business and an important part of our culture. We are very proud that Wyoming County ranks #1 statewide in the production of milk, potatoes, hay and honey. We have over 287,000 maple taps; and we lead the state with 700 farms producing a total of \$326 million in total agricultural sales. We also have 10 USDA National Program certified organic farms in Wyoming County.

As much as we enjoy producing great food, we also enjoy partaking in it. We invite you to enjoy fresh fruits and vegetables at our seasonal farmers' markets, sample a variety of maple products, eat locally sourced food at our restaurants, visit an artisan cheese maker, and see behind the scenes at a working farm at **Agri-Palooza**.

Each year, up to 20 maple producers across Wyoming County participate in **New York's Maple Weekends**, March 17-18 & 24-25 2018. Throughout the county, sugar shacks like **Kehl's Maple** and **Wolcott Maple** will be open to sample delicious syrups, candies, spreads, and pancakes – also watch how maple syrup is made!

Farmers' Market season runs all summer long! Enjoy freshly picked fruits and vegetables, locally made honey, maple products, baked goods, crafts, live entertainment, and plenty more. **The Farmer & Artisan Market** at the **Artisan Villa** in Warsaw is open Thursdays from 2-6pm, May through October – while **Perry Farmers' Market** is 8am-12pm every Saturday on Main Street from June to September.

In June, bring the entire family out for an exciting day on the farm at **Agri-Palooza**! Spend the day on a working Wyoming County farm – tour the facility, meet local agriculture-based businesses, eat food from area vendors, enjoy a hayride, watch live demonstrations, and play fun games. Follow **Agri-Palooza** on Facebook to find out where this year's event will be held!

HISTORY

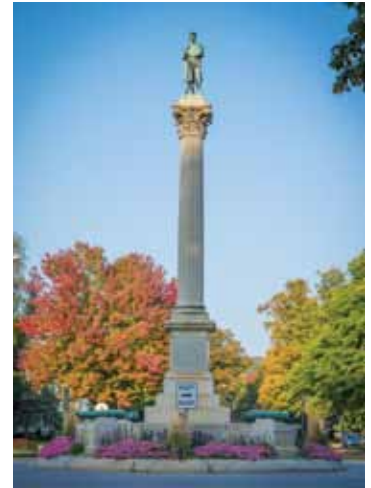

ARCADE HISTORICAL SOCIETY

SPIRIT OF THE AMERICAN DOUGHBOY, CASTILE

WARSAW CIVIL WAR MONUMENT

FOUNDED IN 1841, WYOMING COUNTY HAS A UNIQUE AND FASCINATING STORY.

From historic homes and monuments, the railroad and salt industry, and Native American history, we are proud of our tradition and contribution to the American experience. Warsaw is home to multiple Underground Railroad locations and its residents were early leaders in the abolitionist movement. The **Augustus Frank House** (now the **Artisan Villa**) and the **Seth Gates House** (now the **Warsaw Historical Society**) were homes to US Representatives who fought aggressively to abolish slavery. Visit both of these places to learn the fascinating history and see artifacts and historical treasures!

If ghost hunting interests you, then you'll want to make a stop at **Heaven Sent Bed & Breakfast** in Portageville.

Formerly a rectory, this property is on the **New York State Haunted History Trail**. You are welcome to spend the night, but not to worry - these ghosts are very friendly!

Did you know Wyoming County is home to **Attica Correctional Facility**? Constructed in 1931 it is one of the most well-known prisons in the United States – and was the site of a nationally covered prison riot in 1971. Visit the **Attica Prison Museum** across the street from the prison to learn more and see prison artifacts! If you are interested in local town history or genealogy, visit our many local museums, libraries and historical societies. Each is a wealth of information and always eager to assist visitors with a passion for the past.
