

Healthy HairCare  
Silverado Shine  
**SAFETY DATA SHEET**

Section 1: IDENTIFICATION

Product Name: Healthy HairCare Silverado Shine	Emergency Telephone Number: 800-253-0286
Manufacturer's Name: Healthy Hair Care Inc.	Telephone Number for Information: 800-253-0286
Address: 15023 Dawson Drive, Dade City, FL 33523	Date Prepared: April 1, 2018
Product Use: Adds Shine to animal's coat, tail & mane	

Section 2: HAZARD IDENTIFICATION

Hazard Classification: Health: 1 Flammability: 4 Reactivity: 0 Protection: None
EYES: Minimal irritant for animals and human eye tissue. Rinse with water for 15 minutes. Contact physician as necessary.
SKIN: Wash from skin with soap and water after using. Contact a physician as necessary.
INHALATION: Remove to fresh air. Contact a physician as necessary.
INGESTION: An unlikely route of entry. However, if ingested, get medical help at once. Do not induce vomiting.

Section 3: COMPOSITION/INFORMATION ON INGREDIENTS

COMPONENT ENTITY	CAS	Proportions [%w/w]
Liquefied Petroleum Gas	68476-85-7	Proprietary Formulation
Paraffinic Oil Mixture – As a Oil Mist	NA	Proprietary Formulation
Isoparaffinic Hydrocarbon	64742-48-9	Proprietary Formulation
Fatty Acid Ester	00142-91-6	Proprietary Formulation
Fragrance	NA	Proprietary Formulation

Section 4: FIRST AID MEASURES

<p><b>FIRST AID PROCEDURES:</b></p> <p>EYES: Minimal irritant for animals and human eye tissue. Rinse with water for 15 minutes. May cause temporary eye irritation. Contact physician as necessary.</p> <p>SKIN: Animals or individuals with sensitive skin could experience irritation. Rinse skin. Consult a physician if irritation persists.</p> <p>INHALATION: Remove to fresh air. Contact a physician as necessary..</p> <p>INGESTION: An unlikely route of entry. However, if ingested, get medical help at once. Do not induce vomiting.</p>
--

#### Section 5: FIRE FIGHTING MEASURES

Flash Point: <0°F	Flammable Limits Not determined
Extinguishing Media:	As appropriate for surrounding fire. Use water, dry chemical, carbon dioxide, or foam
Special Fire Fighting Procedures:	At elevated temperatures (over 130°F) aerosol containers may burst, vent or rupture. Cooling with water streams may be helpful.
Unusual Fire and Explosion Hazards:	Firefighters should wear self-contained, positive pressure breathing apparatus with full face piece.

#### Section 6: ACCIDENTAL RELEASE MEASURES

Remove sources of ignitions. Ventilate area. Use protective equipment consistent with the situation.

Waste Disposal Method: Comply with all local, state and federal regulations.

#### Section 7: HANDLING, DISPOSAL & STORAGE

General Handling: for prolonged use in commercial, business, or industrial environment, follow regulatory authorities' procedures, which may include use of protective gloves, eyewear and clothing

Waste Disposal Method: Comply with all local, state and federal regulations.

Storage Procedures: Keep out of reach of children. Store in a cool, dry area, out of direct sunlight. Do not puncture, burn or heat above 120°F either full or empty containers.

#### Section 8: EXPOSURE CONTROL/PERSONAL PROTECTION

Ingredients with workplace control parameter:

Personal protective equipment Eye Protection: No special protective equipment required.

Hand protection: No special protective equipment required.

Skin protection: No special protective equipment required.

Respiratory protection: No special protective equipment required

Hygiene measures: No specific measures identified

#### Section 9: PHYSICAL & CHEMICAL PROPERTIES

Appearance: Aerosol/Mist

Color: Clear

Odor: Strawberry

Flash point: (Method Used) <0°F Flash point based on propellant component. The FP of the solvent/active portion of this formula(based on the component of lowest value & concentration greater than 0.5%) is greater than 140°F

Odor Threshold: no data available

Freezing point: no data available

Initial boiling point and boiling range: n/a

pH:

Evaporation Rate: (ether =1) slower

Flammability (solid, gas): % volatile by volume (%) > 60 ; Vapor Density (air=1): >1

Vapor Pressure (PSIG): 45+- 10

#### Section 10: STABILITY AND REACTIVITY

Chemical Stability: Stable  
Incompatible Materials: Avoid strong oxidizers  
Hazardous Decomposition Products: None Known  
Possibility of Hazardous Reactions: None Known

#### Section 11: TOXICOLOGICAL INFORMATION

Chemical Stability: Stable  
Incompatible Materials: None Known  
Hazardous Decomposition Products: None Known  
Possibility of Hazardous Reactions: None Known

#### Section 12: ECOLOGICAL INFORMATION

No data available

#### Section 13: DISPOSAL CONSIDERATIONS

Comply with all local, State and Federal Regulations.

#### Section 14: TRANSPORTATION INFORMATION

Healthy HairCare contains hazardous ingredients. Product is an aerosol.

#### Sections 15: REGULATORY INFORMATION

No data available

#### Sections 16: OTHER INFORMATION

Additional Information: The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.

Prepared by  
Healthy HairCare      800-253-0286      Issued Date: 09/10/18

Healthy HairCare provides the information contained in the Material Safety Data Sheet. While believed to be reliable, it is intended for use by skilled persons at their own risk. Healthy HairCare assumes no responsibility for events resulting from, or incurred from, its use.
