

SIP BACK AND EXPLORE L.A. WITH **WHITNEY PORT** AND KEVITA.

Los Angeles is a gigantic city with a lot to offer! But whether you're planning a vacation there or just looking for a local adventure with friends, Whitney Port has a list of her most beloved spots that make the city truly sparkle. Grab a bottle of KeVita and Drink in Culture as she shows us the City of Angels.

1. TAKE A HIKE... TO THE HOLLYWOOD RESERVOIR

"Everyone knows the Hollywood sign, but not everyone knows the beautiful hike up to the nearby Hollywood Reservoir. I always tell out-of-town visitors who are looking for a fun (and free!) adventure to try this hike to get the best views of the Hollywood sign."

4. GIVE A-FRAME AN A+

"I recommend grabbing brunch or dinner at A-Frame, a Hawaiian soul restaurant with an L.A. twist. When I'm being gut-conscious and feel the need for probiotics, I'll drink a KeVita and then head over here to have one of their dishes with kimchi, which is made of fermented veggies."

2. UNIQUE FINDS AT BRENTWOOD COUNTRY MART

"Brentwood Country Mart is a local shopping village just outside of Santa Monica that hosts a variety of shops and cuisines. I used to love going there as a kid and now I have the joy of taking my own fam. I love strolling around, stopping for lunch and finding unique gifts for the special people in my life."

5. NATURALLY, YOU NEED TO MAKE IT TO THE NATURAL HISTORY MUSEUM

"I love taking my son to the Natural History Museum of Los Angeles County. The Dinosaur Hall is one of our absolute favorites, and the seasonal Butterfly Pavilion is stunning - I have to practically drag Sonny out of there!"

3. TAKE THE BOOCH TO THE BEACH! (MARINA DEL REY BEACH)

"I love going to Marina Del Rey because you can walk to Venice Beach and the Boardwalk, but still can relax on a quiet stretch of sand. On the weekends, I like to bring a towel, umbrella and a cooler of KeVita and get lost in a good book."
