### **SSISD Offers Online Registration Help July 2nd**

Sulphur Springs ISD will be hosting an open house help session for parents and guardians who do not have computer access, or who need help with the online registration process. This help session will be Thursday, July 2, 2015 at the Administration building on Connally Street. The help session will be from 9:00 AM until 7:00 PM. SSISD will also offer 2 more opportunities for help in July. These sessions will be on July 13<sup>th</sup> and July 30<sup>th</sup> at the Administration building.

If your child will be in 1st through 12th grade in 2015-2016 and is currently enrolled in an SSISD school, you will be able to complete all registration forms (all beginning of the year paperwork) through your SSISD SKYWARD FAMILY ACCESS ACCOUNT.

An SSISD Skyward Family Access account is necessary to complete the back-to-school online registration. Your SSISD Skyward Family Access account will access all your children's information on all campuses. If you already **have** a Parent Portal account, you **will not need to set up a new SSISD Skyward Family Access account**. Login information and passwords were sent home with report cards. This information will also be available at the help session.

The online registration process is required for all returning students of SSISD and is currently open. Online registration must be completed before the first day of school. The first day of school for 2015 is August 25th.
