

Women's ministry to establish national subfertility centre in next 5 years

Women's ministry to establish national subfertility centre in next 5 years

By AMALIA AZMI - November 21, 2023 @ 5:16pm

Datuk Seri Nancy Shukri said the centre will provide comprehensive fertility treatments and family well-being services, including functioning as a coordination centre for research, the latest treatment technologies and expertise training in Malaysia. NSTP/NUR AISYAH MAZALAN
