

How to Use a Waterpik® Water Flosser

1

Make sure to use warm water in the reservoir to avoid sensitivity

2

Place the flossing tip in your mouth before turning the unit on

3

Look into the sink, instead of the mirror, while using your water flosser

HELPFUL TIPS

Mouthwash such as TheraBreath can be used in water flossers. Flush with water after use.

HELPFUL TIPS

New Users: Start on lowest setting and slowly increase pressure
