ABOUT WYOMING INBRE Phase 4

Wyoming INBRE funding is intended to enhance biomedical research capacity, expand and strengthen the research capabilities of biomedical faculty, and provide access to biomedical resources for promising undergraduate students throughout the eligible states. The Wyoming INBRE network is composed of the students, teachers, and researchers at the University of Wyoming and Wyoming community colleges. **Learn more >** ([about/index.html](http://www.uwyo.edu/wyominginbre/about/index.html))
