

THE MUELLER REPORT

It's the greatest WHODUNIT of our time!

From **SHANNON WHEELER**, Eisner Award-winning *New Yorker* cartoonist (*Too Much Coffee Man*, *Sh*t My President Says*, *God is Disappointed in You*), and veteran journalist **STEVE DUIN** (*The Oregonian*, *Comics: Between the Panels*, *Oil and Water*) comes *The Muller Report: Graphic Novel*—a comprehensive, digestible graphic novel version of the most important law enforcement document written in our lifetime.

With Shannon Wheeler's signature satirical edge, *The Mueller Report: Graphic Novel* emulates the style of classic private detective yarns, complete with a villainous rogues' gallery, nail-biting cliffhangers, and a lone lawman standing proud against the wave of crime.

Details from the report are brought to life in every excruciating detail by Wheeler and Duin, including the infamous Trump Tower Meeting of 2016, the questionable contacts, misleading statements, and unreported engagements. If it's in the report, it's in the graphic novel.

You'll laugh. You'll cry. You may tweet in anger. But most importantly you will be reading the report for yourself!

SHANNON WHEELER won awards and contributes to various publications. He created *Too Much Coffee Man*. His website is tmc.com. He embarrasses himself on Twitter as @MuchCoffee. *Sh*t My President Says* is his recent book of illustrated Trump tweets. His previous book, *God Is Disappointed in You* (with Mark Russell) is available anywhere religious-humor books are sold.

STEVE DUIN is *The Oregonian's* Metro columnist. He is the author/co-author of six books, including *Comics: Between the Panels*, a history of comics; *Father Time*, a collection of his columns on family and fatherhood; and a graphic novel, *Oil and Water*.
