

2023 SEASON

Sailing & Powerboating

SAILING COURSES AND INSTRUCTION

Harbourfront Centre Sailing & Powerboating is an internationally recognized Sail Canada Centre of Excellence in Training Facility, offering practical, on-water experience.

BASIC SAILING

INTRO TO SAILING

2hrs \$170

If you've never been on a boat before, you may wish to try one of our introductory experiences before you embark on an entire course. Try our Introduction to Sailing program, and have one of our professional instructors show you the ropes. Spend two hours at Toronto's beautiful harbour and you will see what a fun and adventurous activity sailing is.

If you decide you would like to further your sailing skills, you have the opportunity to credit 50% of your Introductory Course to a Basic Course, which you can then use to gain Sail Canada certification.

SAIL CANADA BASIC CRUISING

28hrs \$845

On-the-water experience is the best way to build basic boat handling, sail theory and safety techniques. Smaller custom-designed keelboats make learning and building confidence in your skills easier. This course is the first level of four graduated Sail Canada programs designed to equip you for ocean passages. Course graduates receive internationally recognized certification.

Ask about our Basic Cruising Graduate \$120 membership!

DINGHY SAILING

We have a wide-ranging Dinghy fleet at Harbourfront Centre Sailing & Powerboating, which includes many 420 Performance Racing Dinghies, Hobies, Picos, RS Zests and Fevas.

*Note that certain dinghy maneuvers involve getting wet, so bring a change of clothes.

SAIL CANADA BASIC DINGHY SAILING – CANSAIL 1&2

24hrs \$585

This course is designed for complete beginners to dinghy sailing and those wishing to improve their skills and develop their experience. Based on the nationally recognized Sail Canada CANSail 1 and 2 standard, this course is on board our RS Zests and Fevas. This fun and challenging course will introduce fundamental sailing concepts such as direction and balance.

SAIL CANADA INTERMEDIATE DINGHY – CANSAIL 3&4

24hrs \$595

Harbourfront Centre Sailing & Powerboating's Intermediate Dinghy standard is designed for students who have achieved their CANSail 1 and 2 levels and want to learn advanced sailing skills. This course will allow you to work towards CANSail 3 and 4 accreditation and includes training in advanced boat handling, boat acceleration, racing fundamentals, sail theory. We encourage those that attain this level to join the club as a member and enjoy a season of on-water adventure with the fantastic backdrop of Toronto's world-class skyline.

SAILING

THEORY REFRESHER COURSES

BASIC CRUISING THEORY

**8hrs, Two Saturdays
9am–1pm \$255**

This Basic Cruising refresher course is designed for students to improve and retrain their knowledge of the theory component of this Sail Canada standard. This course includes comprehensive theory on many aspects, including rules of the road, knot tying, safe anchoring, weather, coping with emergencies and nautical charts. It is conducted off-season with an instructor to teach and assist students throughout. This course is ideal for those that need to prepare for the theory exam or simply want to refresh their knowledge before the season starts.

INTERMEDIATE CRUISING THEORY

**10hrs, (Friday 6pm–9pm & Saturday 9am–5pm)
\$395**

The Intermediate Cruising theory course is ideal for students that want to improve their comprehension of intermediate-level sailing theory through the Sail Canada standard. An instructor will guide students through each module; topics include essential planning, provisioning, boat systems and living afloat, seamanship, emergency procedures and safe operation when handling a variety of weather conditions. This course delivers safe, practical knowledge essential when operating their boat. This course also provides a further learning opportunity for those who want to prepare for their theory exam.

BASIC POWER THEORY

**8hrs, Two Saturdays
9am–1pm \$255**

The Basic Power refresher course is for students that want to reeducate their understanding of the Basic Power theory modules of the Sail Canada standard. An instructor will guide and teach students through a wide-ranging approach, including trouble shooting motors, preventative maintenance, towing, selecting an anchorage, weather, determining safe loads, safety equipment and safe refueling. This course is ideal for those looking to improve their safe practice knowledge to assist with operating their boat and those who want to prepare for their theory exam.

Please note that Sail Canada requires Basic Cruising and Intermediate Cruising, and Power students to complete the theory exam within one year of passing their practical exam to gain the complete standard and certification. Those students that fall outside of this one-year completion cycle must re-take their practical. If you would like more information about this, please call our offices.

BEYOND THE BASICS

SAIL CANADA INTERMEDIATE CRUISING

5 days, live-aboard \$1,585

This five-day live-aboard course is for the Basic Cruising graduate or sailor with equivalent experience. You will perform controlled sailing maneuvers, prepare meals aboard and pilot the vessels (both as skipper and crew) into an unfamiliar harbour or anchorage. Upon completion, you will be qualified for the internationally recognized Sail Canada Intermediate Standard, the recommended minimum certification for bareboat chartering.

Requirements before taking the standard:

- Basic Cruising Standard or equivalent experience
- ROC(M) VHF with DSC Radio License endorsement
- Pleasure Craft Operator's Card (or equivalent)
- Sail Canada Basic Coastal Navigation Standard or Coastal Navigation Standard

Recommended before taking the standard:

- Recognized Standard First Aid and CPR certificate
- Sail Canada Intermediate Coastal Navigation Standard

Note: to maximize the likelihood of completing the Intermediate Cruising Standard, a student should:

- Have experience as a skipper of at least ten-day sails (or equivalent).
- Be able to consistently demonstrate the skills learned in the Basic Cruising Standard and the Basic Coastal Navigation Standard.

BAREBOAT SKIPPER & INTERNATIONAL CERTIFICATE OF COMPETENCY (ICC)

3hrs, \$550

On completion of the Intermediate Cruising course, students have the opportunity to add on the Bareboat Skipper exam, and upon successful completion of this, students will also qualify to receive the International Certificate of Competency certification. Prerequisites include both Basic and Intermediate Coastal Navigation, a VHF License plus the written exam. The pricing includes the exam and the IYT processing fee (ICC Certificate)

YACHT TRAINING

POWERBOATING COURSES AND INSTRUCTION

Our Instructors provide coaching to all, from first-time boaters to seasoned owners looking to improve their confidence and control.

We deliver two courses to suit your needs, as well as Own Boat Tuition for boat owners who wish to train on their own vessel.

INTRODUCTION TO POWERBOATING

1.5hrs \$150

This course is designed to give beginner boaters an opportunity to gain experience with powerboating and provides an overview of some of the content taught in the Basic Power course. Though no certificate is issued, the session provides hands-on experience and builds confidence with time aboard and in the driver's seat.

After an introductory talk on equipment and personal safety, we will head to the boat to familiarize ourselves with the controls and operation. Some confined space turning, docking and slow speed maneuvers will give insight into confident boating.

OWN BOAT TUITION

\$80-\$160 per hour

We can provide a qualified instructor to teach you the ropes on your sail or powerboat. Prices range from \$80-\$160 per hour, with potential travel costs depending on the location of your boat from our base in downtown Toronto.

SAIL CANADA BASIC POWER COURSE

18hrs \$695

This two-day course focuses on building confidence and providing core skills for safe and competent outboard and inboard operation. It focuses primarily on safety, docking, slow and high-speed maneuvers, and you will learn proficient techniques across several other areas.

◆ Must have participated in a CANSail program.

Successful candidates will receive a recognized CANSail Certification.

COUNSELLOR-IN-TRAINING (CIT)

ages 15–16 yrs
FREE* (1 month)

The one-month Sailing Counsellor-In-Training program introduces young sailors who show interest in both the sport of sailing and childcare and education, the responsibilities and daily procedures of Harbourfront Centre's Sailing Camp. The overall goal of the Sailing CIT program is to train future Sailing Instructors and Camp Counsellors in the day-to-day operations of sailing. This program requires participants to experience both on-land and on-water camp procedures and situations and evaluate their decision-making within those environments.

◆ Must have CANSail certification of any level before enrolling in this program

Successful candidates will receive an interview at HCSP for the following year's Sail Camps Staff.

The Sail Camp programming runs throughout the season from July-August. Please visit our website for more information.

*Please see Harbourfront Centre Camps CIT Program for application information

Please note that all participants in our marine programs are provided with a Personal Floatation Device (PFD) and proper use is strictly enforced.

CORPORATE TEAM SAILING

Are you looking for an economical solution to boost company morale and team productivity? Or maybe you don't have enough time to plan an event yourself, and you're looking for fresh ideas for a fun team-building activity. You've come to the right place!

Take your usual corporate event in a new direction with team sailing, an on-the-water adventure in the heart of the city. Your adventure can be customized to engage colleagues in innovative, fun and unique team-building activities. Simply provide our professional staff with your event objective, and we will create a program to suit your requirements.

TEAM RACING REGATTA

6–20 participants

This classic event features a three-race mini regatta in the beautiful realms of Toronto's inner harbour. Each team is briefed on the dos and don'ts of sailing so they can confidently harness the exhilarating power of nature. Communication is everything on the water, just as it is in the office. All positions on a boat are important – each one is integral to the team.

CRUISING THE ISLANDS

6–30 participants

If you prefer to cruise, we can set your team sailing on your chosen vessel. Colleagues and clients will enjoy a relaxing sail along Toronto's breathtaking skyline and islands or participate in sailing the boat under the guidance of our trained instructors. You dictate the pace.

Please note that no prior boating experience is necessary to participate in our events. Participants are with an instructor at all times on the water.

For parties of 30 or more, please contact Emma Wright for a consultation at ewright@harbourfrontcentre.com

For cancellations within 30 days of the course start date, 25% of the course fee will be retained. For cancellations within 10 days of the course start date, no refund will be issued. No fees are refunded after the course has commenced. Offshore and Caribbean courses are non-refundable.

*All courses run consecutively from the chosen start date.

Harbourfront Centre Sailing & Powerboating provides affordable and accessible boating for all. Our fleet has a range of vessels to suit your needs, and we are located right in the heart of Toronto. Whether you're a complete beginner or an experienced sailor, you can rent from us, plan a team outing, sign your kids up for our camps or learn to sail or powerboat on Toronto's beautiful harbour.

hours

We open for full seasonal operations on May 20, 2023. However, there are some courses running prior to our season start. Please check our website for more information.

In July and August, we are open to the public 7 days a week, from 12pm–9pm, Monday–Friday, and open from 9am–9pm on weekends and holidays. Our Sailing Camps program runs from 8:30am–4pm throughout July and August.

In May and June, we are open from 12–8pm Tuesday to Friday (closed Mondays) and 9am–8pm on weekends and holidays. From September 11, 2023, we are open Wednesday to Friday 12–8pm depending on the time of sunset (closed Mondays and Tuesdays), and 9am–6pm on weekends. All boats must be returned to the dock by sunset.

Our off-season office hours from October to April are open 8am–4pm Monday to Friday.

getting here

We are conveniently located on Queens Quay West, immediately south of the CN Tower and easily accessible from downtown Toronto by foot, bicycle or car. Public parking and the TTC 509 and 510 streetcars stop right outside our door.
