

Tiny Door Scavenger Hunt

Did you know that some of the trees in the garden have tiny doors in them?
Where these doors lead and who lives in the trees is a mystery.

Follow the path and use the map to find each tiny door.
Don't knock on the doors or try to go inside...
the inhabitants sleep during the day and only come out late at night.

TINY DOOR ARTISTS

(Each tiny door was created by a regional artist.)
