

Electronic Banking Terms and Conditions

Last amended 11/15/2018

By choosing Accept when enrolling in Bank First's electronic banking services, you (the account holder) agree to the terms and conditions below, hereinafter referred to as "Agreement". Bank First's electronic banking services include online banking, mobile banking and telephone banking, hereinafter referred to as "Services". Each time you use our Services, you are confirming your agreement to and understanding of the terms and conditions of this Agreement. Please read this Agreement carefully and keep it for future reference.

This Agreement is in addition to all other agreements we may have with you, including signature cards and account agreements for your deposit account(s) and/or loan agreement(s).

CONFIDENTIALITY OF PERSONAL IDENTIFICATION NUMBER ("PIN") AND PASSWORD

All Services must be initiated by use of a PIN or Password, hereinafter referred to as "Password". You may change your Password from time to time, as provided in the Services. It is recommended that you do not use your social security number, birthday, or other codes that may be easy for others to determine as your Password. No bank employee will ever ask for your Password, nor should you provide it to anyone unless you intend to allow that person access to your accounts. If you authorize another person to use your Password, that person can use the Services to view any information or initiate any transaction on any of the accounts to which you have access, including viewing information or initiating transactions on accounts to which that person would not otherwise have access. As such, sharing your Password is strongly discouraged by the Bank, and is done at your own risk. If a third party should gain access to your Password, you alone are responsible for changing the Password so as to deny the third party's access to your banking information. Bank First will not be liable for any damages or loss arising from or related to wrongful access by a third party.

YOU AGREE TO KEEP YOUR PASSWORD CONFIDENTIAL. USE OF THE PASSWORD BY YOU OR BY ANY OTHER PERSON WITH YOUR AUTHORIZATION WILL BE DEEMED THE SAME AS YOUR WRITTEN SIGNATURE, AUTHORIZING BANK FIRST TO COMPLETE ANY TRANSACTION COMMUNICATED THROUGH OUR SERVICES.

Never leave your computer or phone unattended while using the Services. Always exit and "log out" after viewing your accounts. Failure to do so may result in unauthorized third party access to your accounts without the use of your Password.

Bank First disclaims any liability for the display or accuracy of your account data by any account aggregation service provided by a third party.

FEES

Access to Services is free of charge at this time. This includes making transfers between your accounts, retrieving and reviewing account information, and making loan payments using funds from your deposit accounts.

Future program updates may have fees associated with them. By using these new features, you agree to pay, and authorize us to debit any such fees from the designated account. You will be notified of any such fees prior to their implementation.

AUTHORIZATION

You expressly authorize us to debit the appropriate deposit account in the amount of any bank transfer initiated through the Services, by you or by any other person who is authorized to use your Password. You agree that we may treat any such bank transfer from a deposit account the same as a duly executed written withdrawal, transfer, or check and that we may treat any such bank transfer to a deposit account the same as a deposit, all in accordance with the terms of this Agreement and any applicable deposit agreements.

MINIMUM SYSTEM REQUIREMENTS

To be able to use the Services, all personal hardware, software and internet connectivity will need to adhere to the minimum requirements for the Services. You are and will remain solely responsible for the purchase, installation, operation and maintenance of the hardware, software, internet services and for all related costs. You are solely responsible for security of the hardware and software. It is highly recommended and generally good practice to install and run software to actively protect from computer viruses and other related malware.

If you make a deposit through our Services, except mobile banking, before 8:00 p.m. CST on a business day, we will consider that to be the day of your deposit. However, if you make a deposit after 8:00 p.m. CST or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

Please refer to the Funds Availability Disclosure given to you at the time you opened your account for more information on this subject.
