Whether you're just getting your DJ rig together, or you're looking for an extremely easy to operate mixer, the BEHRINGER NOX101 DJ Mixer was designed specifically for you. Make no mistake about it, the NOX101 is anything but a "bare bones" mixer. Professional features include a balanced mic input with our state-of-the-art XENYX mic preamp; super-smooth Ultraglides VCA Crossfader and channel faders, premium-grade phono preamps and massive I/O connectivity. The BEHRINGER NOX101 packs all this and more into a rugged, "built-like-a-tank" chassis designed for years of flawless performance.

Get Connected

Designed with both the professional and entry-level DJ in mind, the NOX101 provides RCA inputs for turntables, tape decks and CD players, plus professional-grade features such as a balanced TRS mic input with our legendary XENYX preamp, and balanced (as well as unbalanced) outputs for connecting to power amps or active loudspeaker systems.

Intuitive Operation

If the NOX101 had a middle name it would be "easy." The intuitive layout makes it easy to operate right out of the box. Beneath its elegant exterior lies the heart of a 2-channel DJ battle mixer complete with 3-band channel EQ, making the NOX101 the "go-to" mixer for the beginner DJ seeking versatility, ease of use and affordability.

Value

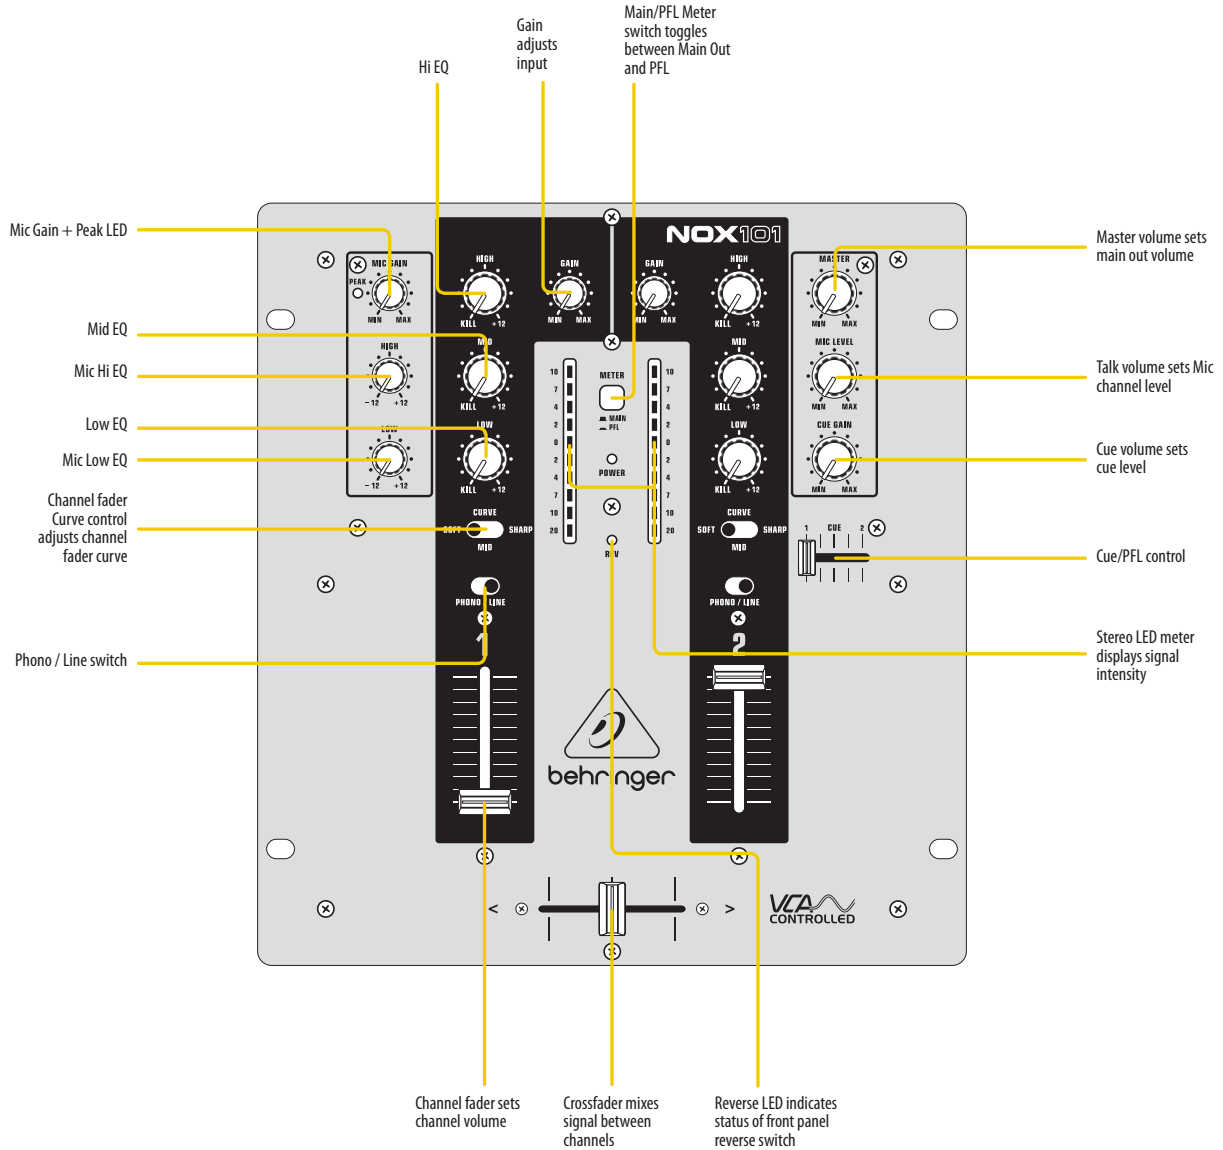

When you hook up a NOX Series DJ mixer, you're adding the ultimate modern touches to your rig at a price that will leave you with money left over. The superior build quality and rugged components in this mixer means you can count on it for many years to come, and we stand behind it with one of the best warranty plans in the industry—a full 3 years!
