## MANAGEMENT REPORT

| Date: | February 15, 2023 |
| :--- | :--- |
| Author: | Julia Morrison, Director, Corporate Services \& CFO |
| VanDocs \#: | DOC/2023/037957 |
| Meeting Date: | February 22, 2023 |
| TO: | Library Board |
| FROM: | Tim Bottomer, Chair, SFHR Committee |
| SUBJECT: | December 31, 2022 (Q4) Financial Operating Results |

## SUMMARY

This report is to provide the quarterly statement of revenues and expenditures for review.

## PURPOSE

This report is for information.

## RECOMMENDATION

That the Board receive the unaudited Statement of Revenues and Expenditures for the quarter ended December 31, 2022 for information.

## BACKGROUND

Financial results are presented quarterly, for information.

## DISCUSSION

Attached are the December 31, 2022 (Q4) statements of revenues and expenditures and variance explanations. Also attached is a summary of the reserves transactions for 2022.

These statements will be reviewed by the City's Internal Audit department after adjustments are made for deferred payroll liabilities and capital assets, and the underlying financial information will be included in the independent audit of the City of Vancouver, conducted by KPMG.

## SUMMARY

The total VPL expenditure and transfer budget for 2022 was $\$ 58.0 \mathrm{M}$. These expenditures and transfers were funded by budgeted revenues of $\$ 4.51 \mathrm{M}$, and City funding of $\$ 53.49 \mathrm{M}$. Salaries and Benefits, at $\$ 43.3 \mathrm{M}$, accounted for $75 \%$ of our expenses.

At December 31 (Q4), the library was under budget for the year by \$626K (Q3: \$379K). This is due to expenditures that were lower than budget by $\$ 1.39 \mathrm{M}$ (mainly in salaries and benefits) and revenues which were higher than budget by $\$ 1.18 \mathrm{M}$ (mainly from donations), partially offset by transfers to reserves (for donations received) that were higher than budget by \$1.95M.

At the end of 2022, the library had spent $98.8 \%$ of its annual operating budget.

## YTD REVENUES

Overall, YTD revenues are higher than budget by $\$ 1.18 \mathrm{M}$ (Q3: \$769K).

> Program Fees: Program fees were under budget by $\$ 204 \mathrm{~K}$ (Q3: \$114K). Photocopier, holds, fines, subscription cards, sale of goods and lost book charge revenues were all lower than budgeted.
$>$ Cost Recoveries, Grants \& Donations: Above budget by $\$ 1.28 \mathrm{M}$ (Q3: \$835K)

- This is mainly due to the receipt of donations of $\$ 1.6 \mathrm{M}$ from the Vancouver Public Library Foundation. The amount and timing of donations that will be received in a year is difficult to accurately predict, thus there will be fluctuations between budget and actual throughout the year.
- Provincial and InterLINK funding is under budget by $\$ 163 \mathrm{~K}$. Annual Provincial funding of $\$ 1.24 \mathrm{M}$ (Budget: $\$ 1.32 \mathrm{M}$ ) was received in July, and annual InterLINK funding of \$53K (Budget: \$140K) was received in August. InterLINK revenue continues to be lower than in prior years, which appears to be due to changes in borrowing behaviour as a result of changes in commuting patterns during COVID that have not returned to 2019 patterns.
> Rental, Lease \& Other: These revenues are above budget by \$110K (Q3: \$49K). Rental, event and filming revenues are lower than budgeted, offset by higher than budgeted InfoAction (our fee-based research service) revenues.

## YTD EXPENDITURES \& TRANSFERS

Overall, YTD expenditures and transfers are higher than budget by $\$ 559 \mathrm{~K}$ (Q3: $\$ 390 \mathrm{~K}$ )

## > Salaries \& Benefits

Salaries and benefits were under budget by $\$ 865 \mathrm{~K}$ (Q3: $\$ 939 \mathrm{~K}$ ). There was a positive variance in full-time and fringe benefits, partially offset by sick and training replacement costs which were higher than budgeted, along with hourly and part-time staff costs which were above budget due to hourly and part-time staff temporarily filling full-time positions.

We spent above budget on training costs in the last quarter of 2022, as we recruited and onboarded a large number of new staff into the library system, following a period of very low recruitment and training since COVID began to affect VPL in Q1 2020.

> Books \& Publications
Expenditures on books and publications was on budget at year-end, at $\$ 5.2 \mathrm{M}$.

## > Operating \& Maintenance

- Building occupancy/facilities expenses were under budget at year-end by \$319K (Q3: $\$ 111 \mathrm{~K})$. This was mostly related to internal allocations. Internal allocations are the costs for Library Square maintenance which are transferred from the City - these costs were under budget by $\$ 197 \mathrm{~K}$ (Q3: $\$ 93 \mathrm{~K}$ ). The variance is a result of reduced expenditures for janitorial, maintenance, elevators, escalators, etc. Contract services, which are included in Professional Fees, are related to maintenance costs for Library Square.
- Professional fees were above budget, and relate to consulting costs for VPL's Equity, Diversity and Inclusion work (Goal 4.2 of the 2020-2025 Strategic Plan), and to conduct the public survey, as well as for Library Square contracted maintenance services, which are offset in lower building occupancy \& maintenance costs and internal allocations.
- Equipment and fleet costs were above budget, primarily due to systems-related maintenance and licensing agreements for software.
- Other expenses and supplies and materials (excluding books \& publications) were under budget for the year, primarily due to reduced in-person programs, and the reduction of costs associated with the delivery of these programs.

## RESERVES

In Q4, transfers for interest, InfoAction and donations were made to Reserves. There were no transfers made from reserves in 2022.

## OPERATING BUDGET
